

UNIT – 9

ADVENTURE

Listen, recite and enjoy:

Teacher recites/reads the poem. Listen with your book closed. Teacher recites /reads again. Now, listen with your book open.

MOUNTAIN

Together, we walk and make moves
No one knows, how far is the top
To the biting cold, hands in gloves
For rocks below, feet after feet tap.

No thought of yesterday or tomorrow
For steps rise and fall, chill in the marrow
Out in the whistling wind, with sole sore
Can't stop, climbing more and more.
